On September 14th Hotlanta Squares was well represented at PALS Bingo at The Jungle. We had the largest group there selling approximately 80 tickets. As you can see from the photos, a good time was had by all.

Sweet September Dance with Pam Courts

On September 25th Hotlanta Squares held it's very last dance at City of Light's Tullie Road location.

R.I.P. Johnny Jones

The world lost a great square dance caller and a great person with the recent passing of Johnny Jones. For five years Johnny served as the Hotlanta Squares club caller and class instructor. We all will miss Johnny and the great times we had together. Our thoughts and prayers go out to Penny and all of Johnny's family and friends.

Atlanta A's and B's Provide Advanced Dancing Opportunities

The Atlanta A's and B's would like to let Hotlanta Squares Advanced dancers know that they provide two additional metro area opportunities for additional floor time to polish their skills with a live caller.

Ace McGee from Anderson, SC is a very patient caller who is sensitive to the level of the floor, and at both venues regularly workshops calls that pose a challenge for the floor.

Atlanta A's dances Advanced only every 2nd and 4th Saturday from 1 to 3 pm at City of Light in the same space that Hotlanta Squares uses. They generally have 2-3 squares of dancers ranging from expert to just graduated for these dance/workshop events.

B's dances Advanced every Wednesday from 6 to 8 pm and has Advanced lessons from 8 to 9:30 pm at Mountain View Community Center at 3400 Sandy Plains Road, Marietta, GA 30066. They typically have two squares for the Advanced dancing/workshop and one square for the lessons.
