Hello Hotlanta Members and Friends.

The Hotlanta Squares Board gives highest priority to the safety of all participants at our club sponsored dancing and social events. Since our post shutdown dancing restarted last July, our club has strictly adhered to vaccine and masking safety protocols to allow us to safely dance.

However, the current covid surge is breaking record highs for daily new cases. With the current levels of contagion so high that we feel it would be irresponsible to not to shut down our regular weekly gatherings until the covid risk subsides. So, our club is going dark on Mondays and Tuesdays starting this Monday, January 3rd 2022. We will remain shut down until it is clear that this pandemic peak has

passed and we can safely dance again.

The board will continue to monitor the covid situation and look to restart our dancing as soon we feel we can.

As always, we welcome your input and feedback, contact a board member or email Hotlanta.Squares@gmail.com with your thoughts.

Sincerely

The Hotlanta Squares Board
